A psychic reading is one piece of information you can use in your life. It is also important to use your own analytical and intuitive skills as well as seek counsel from trusted people. Maintain your autonomy when getting psychic readings. It is never wise to make life decisions based solely on what a psychic tells you or on my consultation (or on any one source). The usefulness of my work is that it may bring out issues or information that you would otherwise not have considered.

We are confident that Allison Schlesinger Consulting can help and give you a 30-day 100% satisfaction guarantee. If you are not happy for any reason with the quality of our program, just ask for your money back in writing.
